## President's Comments

Merry Christmas and Happy New Year!

This is a wonderful time of year and although the Holidays have become more "commercialized" than I would like to see, there are still many opportunities to give thanks and reflect back on another wonderful year. We recently finished up with Holiday Homecoming in Princeville and if you weren't already in the Christmas spirit, this will aid in getting you there. Once again, we had an amazing turnout! It is one of those events I look forward to each year and enjoy being outside serving up French Onion soup and Kettle Corn. Thankfully it was a little warmer than it has been in years past. We figured that this was our 10<sup>th</sup> year in a row serving up Jack Woiwode's famous French Onion Soup.

Again this year, we were able to grant several "wishes" for our Christmas Wish campaign. We had a great response from our clients and from the Princeville and the North Peoria area. Although we weren't able to grant each and every wish, we did our best and hopefully by doing this, we were able to make some people's Christmas merry and bright.

I'm looking forward to what is in store for 2010. We have a new website being launched at the end of January and February we'll be introducing a couple new products. Be on the lookout for these as they will really get some attention.....

I wish all of you all the best in 2010 and may it be the best year yet! God Bless each of you, God Bless our troops and God Bless the USA. May all your blessings be abundant.
